ABOUT ME

Motivated software developer with hands-on experience in both front-end and back-end development, contributing to web applications, CRM systems, and educational platforms. Proven track record in enhancing existing features and developing new versions, with a self-driven approach and the ability to rapidly learn new technologies independently. Holds a CEFR B2 English certificate, enabling effective communication in professional environments.

EDUCATION

BACHELOR OF SCIENCE

Bukhara State University /
Bukhara / 2028

I am currently enrolled in part-time (distance) studies at the University's Faculty of Tourism.
